The CVCBD Community Safety Program is pleased to announce a new partnership. In July we began using a great new information sharing site called www.Nixle.com. This site provides constant alerts on traffic, weather and most importantly safety issues. There are several categories that you may choose to be informed of. The CVCBD Community Safety Program advises that you log on and give it a trial run. If there is any additional information that you may require before logging on please feel free to contact the CVCBD Community Safety Program, we will be delighted to provide any assistance necessary. Please read the disclosures carefully before signing up for any alerts or notifications to be forwarded to email that is synced with your mobile phone. This is a 24 hour site and notifications are sent out 24/7.
