Crime](#)

Mayor Rawlings-Blake,  
Police Commissioner Batts  
and Councilman Brandon  
Scott unveiled the City's  
new citizen on-line police  
reporting system. The  
system allows Baltimore  
crime victims to file reports  
on-line for non-violent  
incidents such as car  
break-ins, vandalism and  
illegal dumping. Reports  
can also be filed on various  
platforms including a  
computer, tablet or smart  
phone. All the user has to  
do is go to the city police  
website, and click the  
reporting link and follow  
instructions. Each report is  
assigned an incident  
number, and the user gets  
a PDF file of their report  
that can also be used to  
report loss for insurance.

dumpsters. **CVCBD will also serve coffee and donuts  
- while they last- starting at 9 AM.** Come join us and  
all your friends and neighbors.

Members of the Safety Advisory Council,

In the past two weeks we have had a rash of car break-ins in the CVCBD. This larceny problem is driving the entire crime rate higher each week. The Northern District Officers are doing a good job with combating violent crime in our area but they need our help in preventing this crime of opportunity within our community. After speaking with the Northern District Commander Captain Wells about this crime pattern of larceny from autos, we found one common denominator and that is most items stolen are items lying in plain view on the car seats such as purses, wallets or computers. It only takes a few seconds for someone to smash a window and reach into a vehicle to remove this property. The thief cannot know the exact value or the actual contents but will seize this opportunity to benefit themselves for any type of gain that may appear to be rewarding. Please remember the below points and share this message with your neighbors.

Always check your vehicle and take items that may be valuable with you.

Do not leave items in your vehicle just to run into a store or residence for a short time. It only takes seconds to steal.

---

Do not leave empty boxes or gym bags lying in plain view.

Do not leave indicators such as suction cups marks on windows or phone charging cables in view.

If you observe someone walking by vehicles and pulling on door handles, this is suspicious activity. Call 911.
