Baltimore Police On-line
Reporting for Non-Violent
Crime

Mayor Rawlings-Blake, Police Commissioner Batts and Councilman Brandon Scott unveiled the City's new citizen on-line police reporting system. The system allows Baltimore crime victims to file reports on-line for non-violent incidents such as car break-ins, vandalism and illegal dumping. Reports can also be filed on various platforms including a computer, tablet or smart phone. All the user has to do is go to the city police website, and click the reporting link and follow instructions. Each report is assigned an incident number, and the user gets a PDF file of their report that can also be used to report loss for insurance.
