- Never leave window A/C Units unattended on first floor areas. They're easily removed and grant access to prospective criminals.
- Check that your household windows & doors are locked and secured always.
- Never leave valuables (i.e. laptops, cellphones, wallets/purses, tablets) w/in close areas to

Baltimore Police On-line Reporting for Non-Violent Crime

windows where windows can be broken and belongings can be stolen.

- Never leave keys hanging in areas where they're easily accessible. Almost every vehicle has automatic alarm/start so criminals can locate your vehicle easily.

- Install cameras in areas where faces can be captured. Overhead cameras only catch tops of individuals unless they look up.

- Always lock & secure your vehicles. Make a habit of arming your vehicle alarms before bed, every night.

- Check into Doorbell cameras/cost/installation. When doorbell is activated, Video begins recording of anyone in front of your residence. Thieves often ring doorbells to see who is home before burglarizing the location.

- Lowest level Windows/Doors are the most easily accessible. Make sure your basement/first floor windows & doors are the most secure for your household. Consider Block windows and/or solid steel doors for the basements.

- Do not leave athletic equipment exposed in garages/sheds. These items are easily taken/sold to anyone.

- Install Motion detection flood lighting on/around garages and sheds and well above the reach of any criminal.

- Any information/Video footage gained, please contact the Northern District-410-396-2455
